

Appendix B

Plots Showing Freshwater – Saltwater Interactions at the Mouths of the Five Watersheds

Figure B-1. Comparison of simulated salinity and observed salinity along trackline 1, Chollas Creek.	2
Figure B-2. Comparison of simulated salinity and observed salinity along trackline 3, Chollas Creek.	2
Figure B-3. Comparison of simulated salinity and observed salinity along trackline 4, Chollas Creek.	3
Figure B-4. Comparison of simulated salinity and observed salinity along trackline 5, Chollas Creek.	3
Figure B-5. Comparison of simulated salinity and observed salinity along trackline 6, Chollas Creek.	4
Figure B-6. Comparison of simulated salinity and observed salinity along trackline 7, Chollas Creek.	4
Figure B-7. Comparison of simulated salinity and observed salinity along trackline 1, Paleta Creek.	5
Figure B-8. Comparison of simulated salinity and observed salinity along trackline 2, Paleta Creek.	5
Figure B-9. Comparison of simulated salinity and observed salinity along trackline 3, Paleta Creek.	6
Figure B-10. Comparison of simulated salinity and observed salinity along trackline 4, Paleta Creek.	6
Figure B-11. Comparison of simulated salinity and observed salinity along trackline 5, Paleta Creek.	7
Figure B-12. Comparison of simulated salinity and observed salinity along trackline 6, Paleta Creek.	7
Figure B-13. Comparison of simulated salinity and observed salinity along trackline 7, Paleta Creek.	8

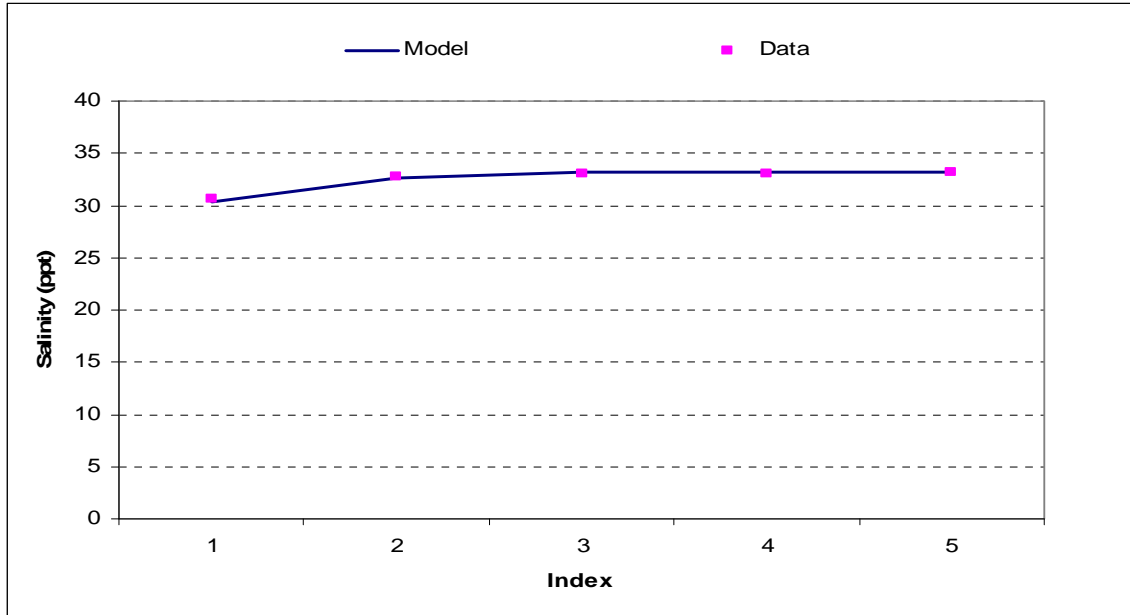

Figure B-1. Comparison of simulated salinity and observed salinity along trackline 1, Chollas Creek.

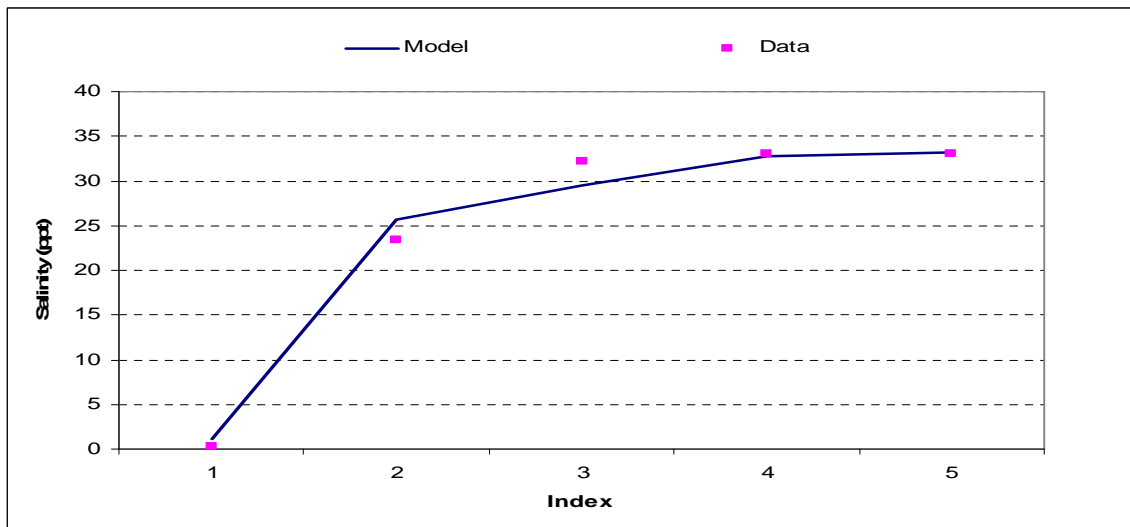

Figure B-2. Comparison of simulated salinity and observed salinity along trackline 3, Chollas Creek.

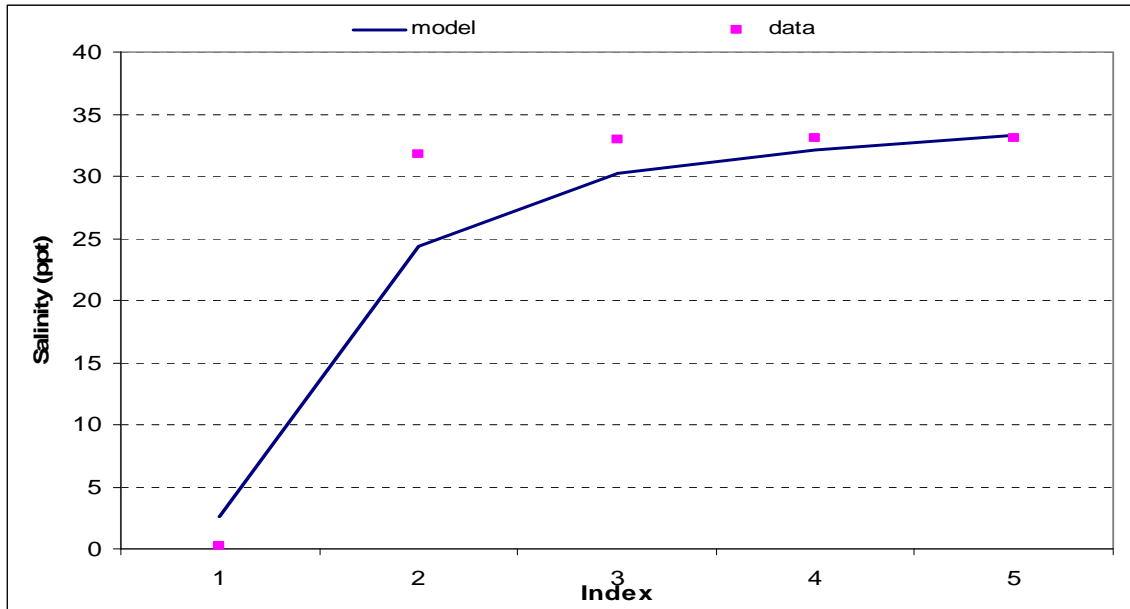

Figure B-3. Comparison of simulated salinity and observed salinity along trackline 4, Chollas Creek.

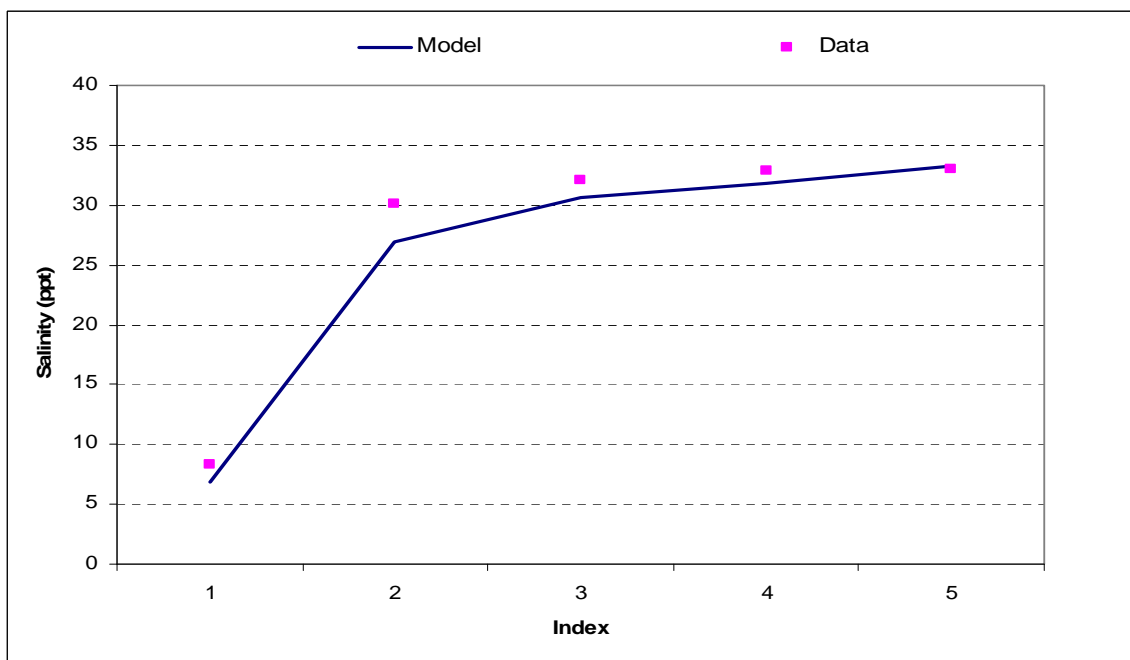

Figure B-4. Comparison of simulated salinity and observed salinity along trackline 5, Chollas Creek.

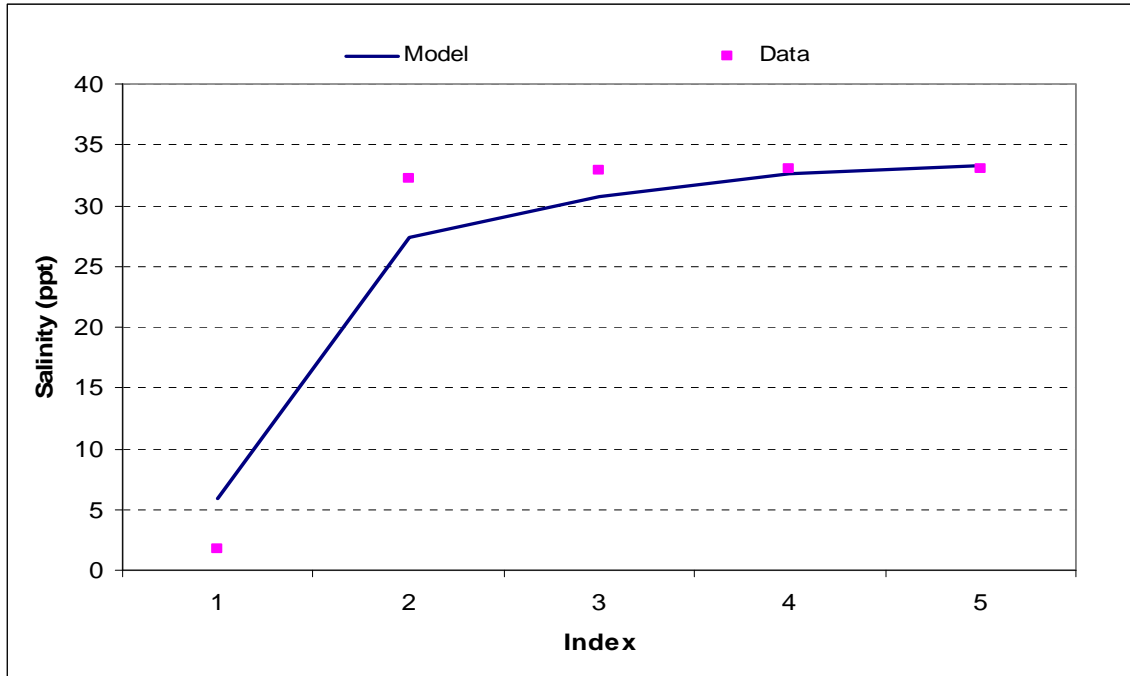

Figure B-5. Comparison of simulated salinity and observed salinity along trackline 6, Chollas Creek.

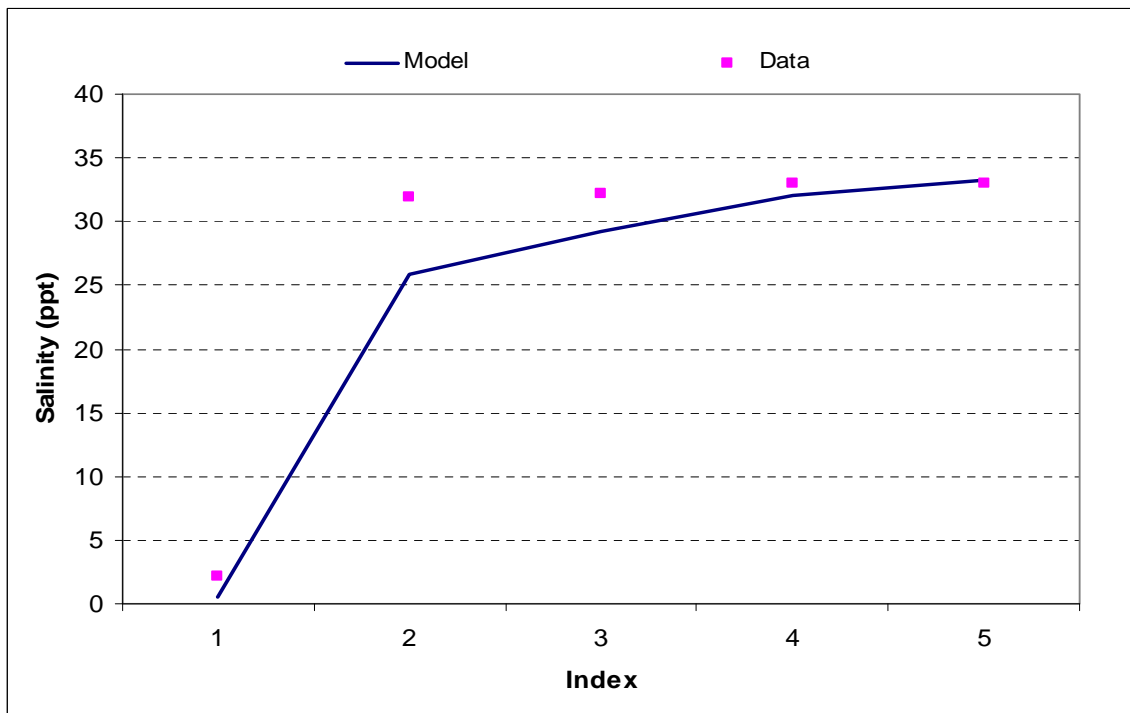

Figure B-6. Comparison of simulated salinity and observed salinity along trackline 7, Chollas Creek.

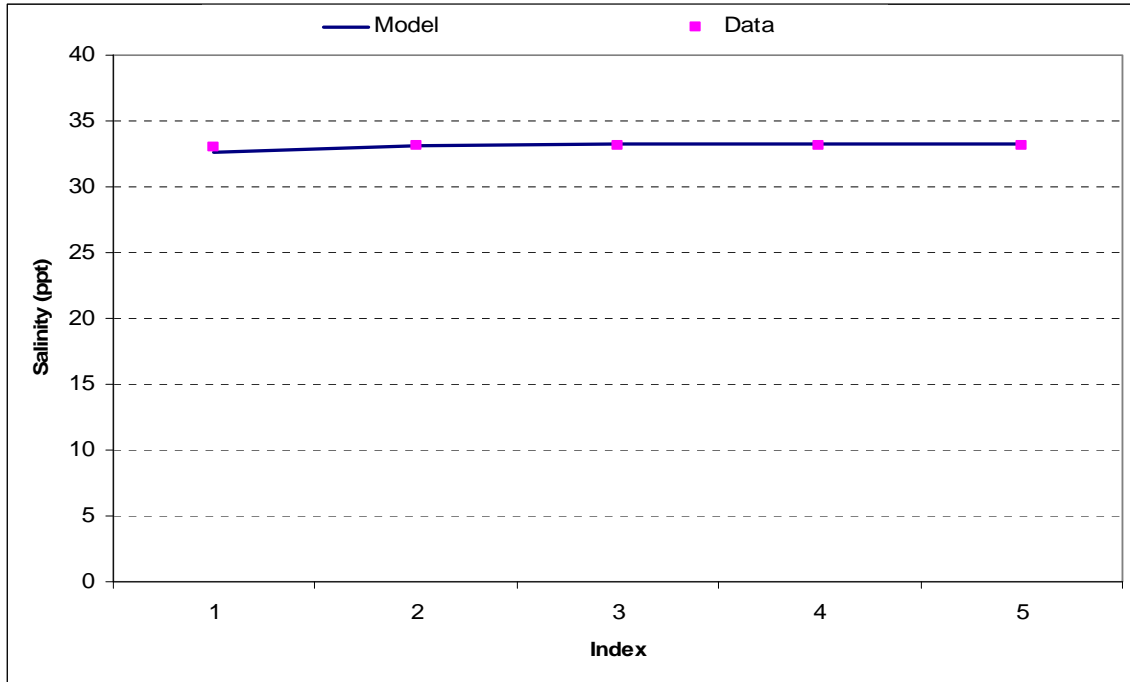

Figure B-7. Comparison of simulated salinity and observed salinity along trackline 1, Paleta Creek.

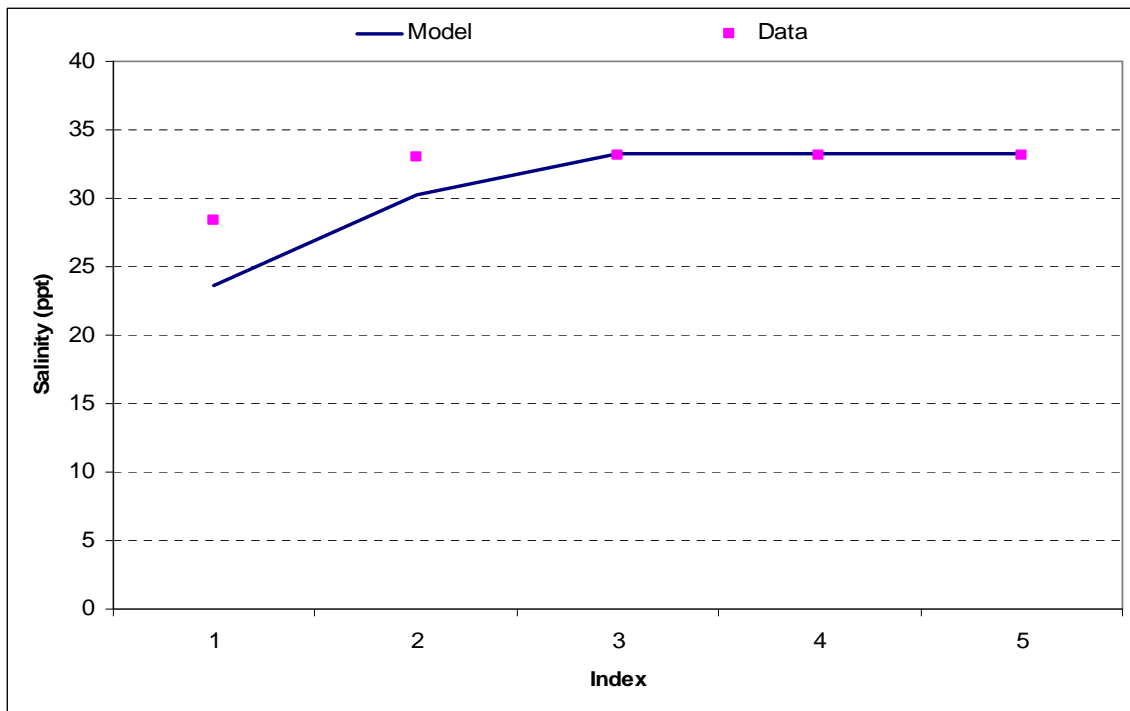

Figure B-8. Comparison of simulated salinity and observed salinity along trackline 2, Paleta Creek.

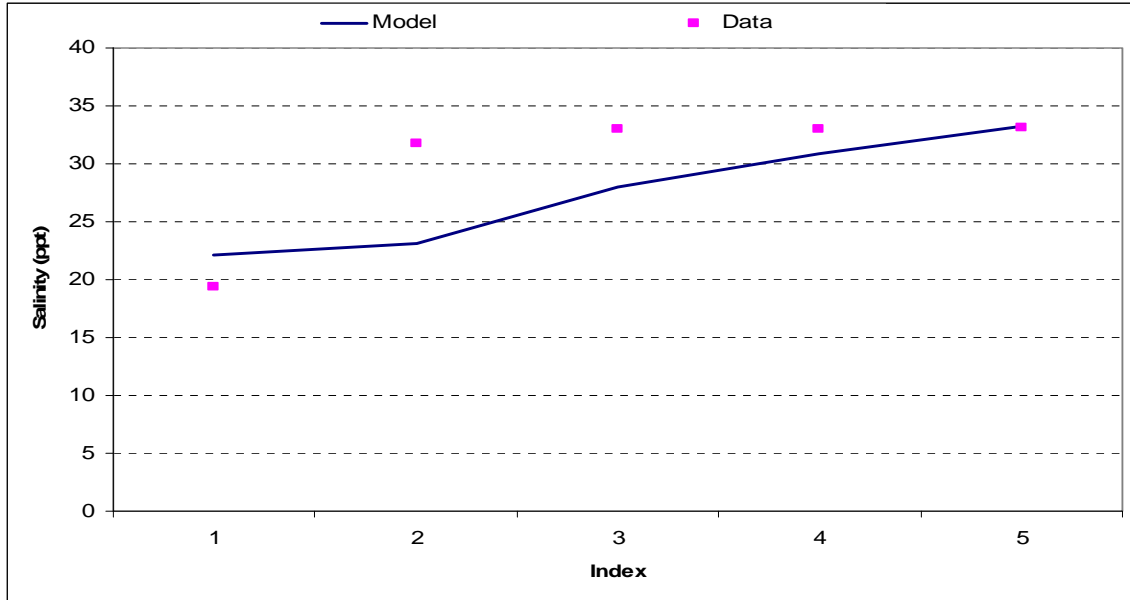

Figure B-9. Comparison of simulated salinity and observed salinity along trackline 3, Paleta Creek.

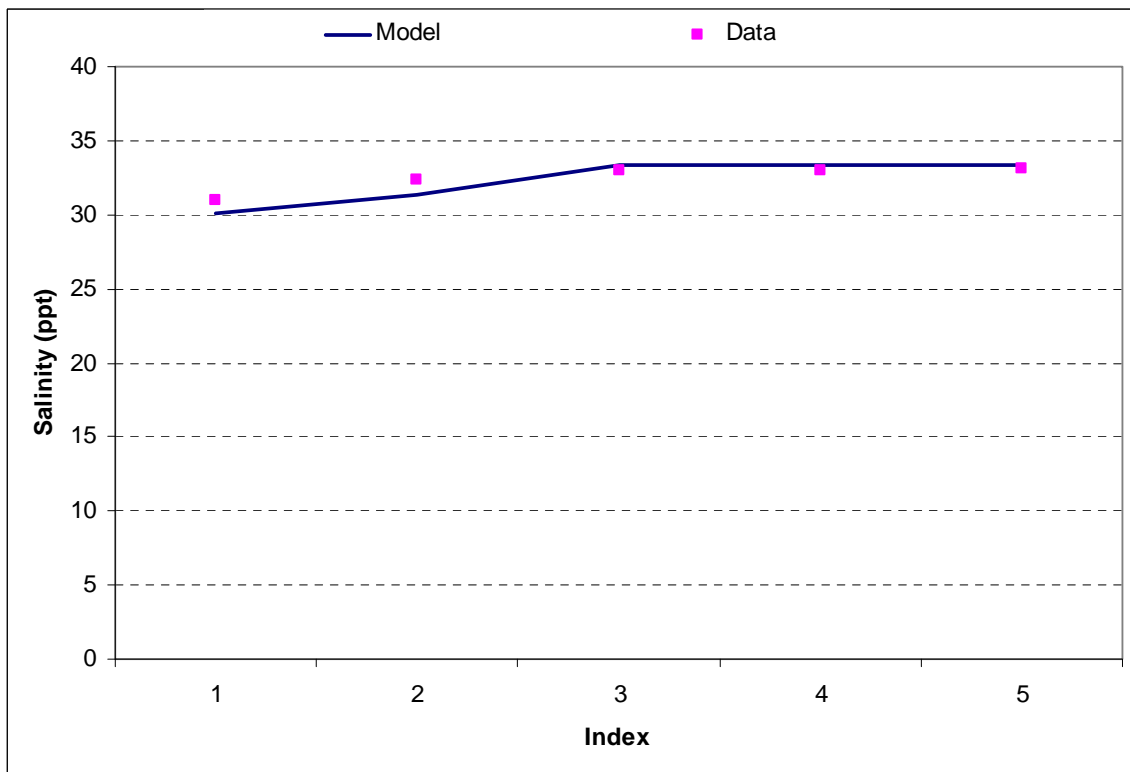

Figure B-10. Comparison of simulated salinity and observed salinity along trackline 4, Paleta Creek.

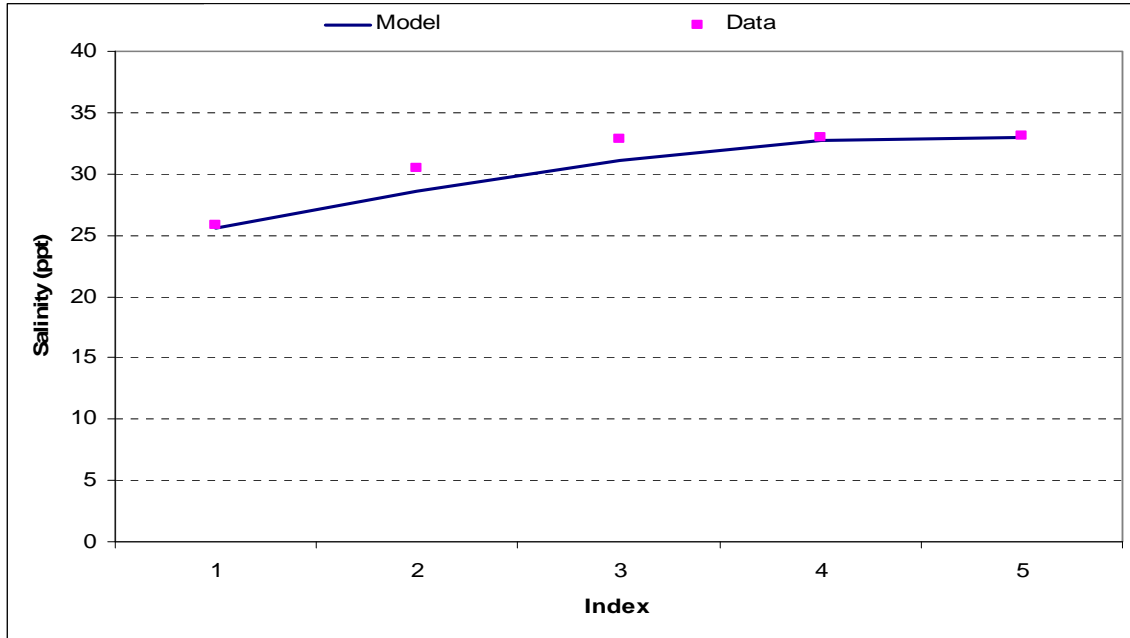

Figure B-11. Comparison of simulated salinity and observed salinity along trackline 5, Paleta Creek.

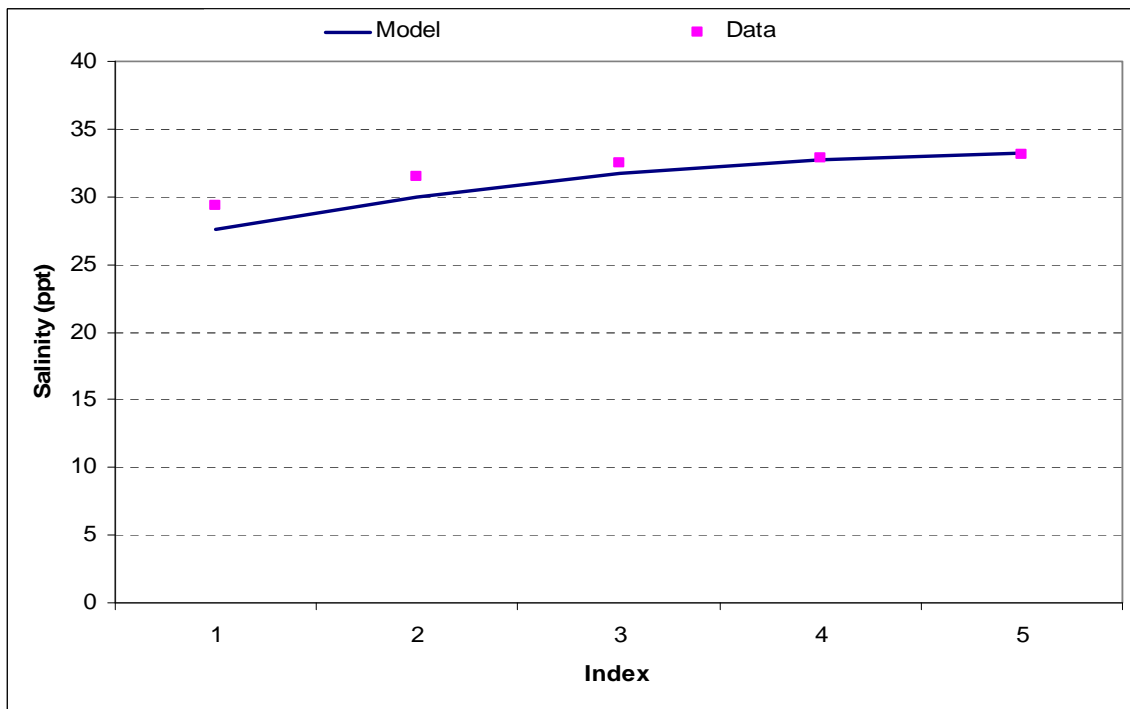

Figure B-12. Comparison of simulated salinity and observed salinity along trackline 6, Paleta Creek.

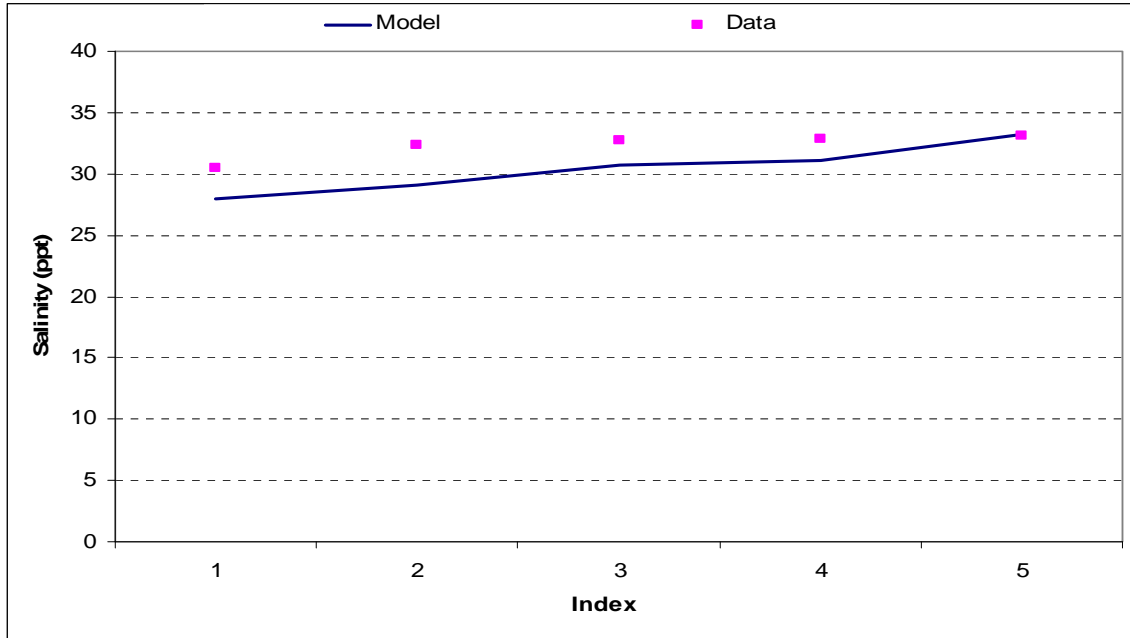

Figure B-13. Comparison of simulated salinity and observed salinity along trackline 7, Paleta Creek.
